Summer Camp in Spain

Our **summer camp in Spain** is designed for students aged **9 to 15** who want to enjoy their holidays in a **safe, fun, and enriching environment**. Each year, we take our pupils to a different region of Spain, and this summer, we're thrilled to be heading to the stunning **south of Spain—Andalusia!**

The MASS Summer Camp offers an **unforgettable experience** where students can immerse themselves in nature, discover Spain's culture, make new friends, and take a well-deserved break from screens.

Led by Dr. Adriana – Educator & Mentor

The camp is led by our founder, **Dr. Adriana Chan**, who is also the principal of the Spanish School of Hong Kong and MASS International Preschool. Given how busy she is during term time, these camps only run during school holidays—giving her the chance to connect with young people, share valuable life lessons, promote wellbeing, and broaden their horizons.

Learning, Adventure & Fun

Our Spain Summer Camp blends **education, inspiration, and excitement**, with a wide range of activities that let students explore Spain in **every way possible**. To ensure everyone gets the most out of the experience, we have **clear guidelines** in place, which all participants must agree to before joining.

CAMP RULES

Digital Detox

Mobile phones will be collected upon arrival and returned **each evening for a limited time**, giving campers a chance to call home and share their adventures.

Nature, New Friends & Dedicated Staff – Who Needs a Phone? You'll have plenty of time for screens the rest of the year – here, it's all about real connections!

Speak Spanish Whenever Possible

We encourage campers to make friends with local Spanish youngsters and practice their language skills in real-life situations. Don't worry if you're a beginner – we'll help you learn naturally through daily experiences.

No Unsupervised Outings

Spain Summer Camp is a supervised camp, not a self-catering holiday. Therefore, going out unaccompanied is strictly prohibited. For everyone's safety, students must remain with staff at all times.

Special requests can be discussed – we'll do our best to accommodate. Each child will wear a **GPS tracker** during excursions.

These clear guidelines ensure every camper enjoys a **safe, rewarding and unforgettable** experience with MASS Experiential Learning. By enrolling your child in MASS Spain Sumer Camp, you acknowledge and agree to comply with all instructions from the MASS team.

Our camp is staffed by fully qualified activity leaders who work hard to ensure every child has a wonderful experience. Let the adventure begin!

ACTIVIDADES

Córdoba

Córdoba is a living tapestry of ancient history. It is celebrated for its enchanting floral patios adorning whitewashed streets and its magnificent monuments, like the legendary Mosque-Cathedral, that stand as timeless testaments to its storied past.

Seville

Seville is the passionate soul of Spain. A city of intoxicating beauty, where orange trees scent the air, flamenco rhythms echo in cobbled alleyways, and monumental landmarks like the soaring Gothic cathedral and the majestic Alcázar palace tell tales of a glorious past. This is Andalusia at its most vivid and alive.

Ronda

Perched atop a breathtaking gorge, Ronda is one of Spain's most spectacular and iconic towns. Its defining feature is the Puente Nuevo—a monumental bridge that spans the 100-meter-deep El Tajo Gorge, dramatically connecting its historic Moorish quarter with the newer 18th-century town.

Camino del Rey

El Caminito del Rey is one of Spain's most thrilling and spectacular hikes. Once considered the world's most dangerous walkway, this vertigo-inducing cliffside path has been safely restored. It winds through the dramatic Desfiladero de los Gaitanes gorge, offering heart-stopping views of limestone cliffs, a rushing river far below, and a unique perspective on Andalusia's raw natural beauty.

Málaga

Málaga, the capital of the Costa del Sol, is a sun-soaked blend of ancient history and contemporary culture. Beyond its popular beaches, discover a historic core dominated by the hilltop Alcazaba fortress, the Renaissance cathedral, and the birth place of Pablo Picasso.

KAYAK / PADEL SURF

The day will begin with the sun shining on the Iznájar reservoir and with fun activities like kayaking and paddle surfing surrounded by stunning natural scenery. Campers will explore the calm waters and improve their coordination and balance through these activities.

Paintball / Rappelling / Team Building

Equipped with vests and masks, we'll have a fun paintball battle. Campers will work as a team, devise clever tactics, and release their energy in a fun-filled game.

They will also do rappelling and team building, which are cooperative games where they will work together to solve challenges and achieve goals.
