

Summer Camp in Spain

This summer, we're taking our students to explore the stunning northern region of Spain—Cantabria and Santander. They'll be fully immersed in a Spanish-speaking environment, giving them the chance to practise their language skills with locals, discover authentic Spanish culture, and marvel at Cantabria's breathtaking natural beauty.

Location: Madrid, Cantabria and Santander, Spain

Period: 13th - 22nd July 2025

Camp Fee: HKD\$16,800*

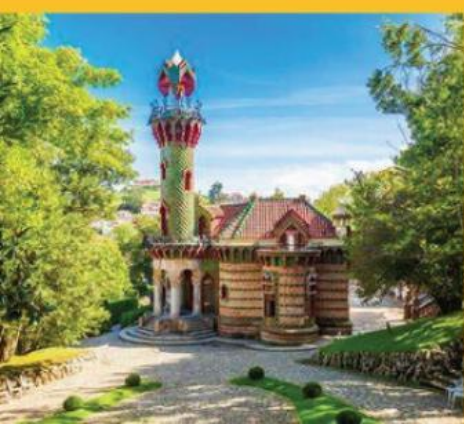

Eligibility: Age 9 - 15

(*including accommodation, full board, activities, excursions, 24-hour supervision, local transportation and insurance. The camp fee does not include flight ticket. Parents can purchase flight ticket through the school.)

Summer Camp in Spain

Our **summer camp in Spain** is designed for students aged **9 to 15** who want to enjoy their holidays in a **safe, fun, and enriching environment**. Each year, we take our pupils to a different region of Spain, and this summer, we're thrilled to be heading to the stunning **north of Spain—Cantabria and Santander!**

The MASS Summer Camp offers an **unforgettable experience** where students can immerse themselves in nature, discover Spain's culture, make new friends, and take a well-deserved break from screens.

Led by Dr. Adriana – Educator & Mentor

The camp is led by our founder, **Dr. Adriana Chan**, who is also the principal of the Spanish School of Hong Kong and MASS International Preschool. Given how busy she is during term time, these camps only run during school holidays—giving her the chance to connect with young people, share valuable life lessons, promote wellbeing, and broaden their horizons.

Learning, Adventure & Fun

Our Spain Summer Camp blends **education, inspiration, and excitement**, with a wide range of activities that let students explore Spain in **every way possible**. To ensure everyone gets the most out of the experience, we have **clear guidelines** in place, which all participants must agree to before joining.

CAMP RULES

Digital Detox

Mobile phones will be collected upon arrival and returned **each evening for a limited time**, giving campers a chance to call home and share their adventures.

Nature, New Friends & Dedicated Staff – Who Needs a Phone? You'll have plenty of time for screens the rest of the year – here, it's all about real connections!

Speak Spanish Whenever Possible

We encourage campers to make friends with local Spanish youngsters and practise their language skills in real-life situations. Don't worry if you're a beginner – we'll help you learn naturally through daily experiences.

No Unsupervised Outings

Spain Summer Camp is a supervised camp, not a self-catering holiday. Therefore, going out unaccompanied is strictly prohibited. For everyone's safety, students must remain with staff at all times.

Special requests can be discussed – we'll do our best to accommodate. Each child will wear a **GPS tracker** during excursions.

These clear guidelines ensure every camper enjoys a **safe, rewarding and unforgettable** experience with MASS Experiential Learning. By enrolling your child in MASS Spain Sumer Camp, you acknowledge and agree to comply with all instructions from the MASS team.

Our camp is staffed by fully qualified activity leaders who work hard to ensure every child has a wonderful experience. Let the adventure begin!

ACTIVIDADES

Comillas

A charming coastal town in Cantabria, known for its modernist architecture, including Gaudí's whimsical El Capricho. Stroll through its historic streets, relax on quiet beaches, and soak up its artistic vibe.

Altamira Caves

Often called the "Sistine Chapel of Prehistoric Art," these UNESCO-listed caves feature stunning Palaeolithic paintings. While the original is restricted, the meticulous replica museum offers an awe-inspiring glimpse into ancient humanity.

Santillana del Mar

A perfectly preserved medieval village, often dubbed "the town of three lies" (neither holy [santa], flat [llana], nor by the sea [del mar]!). Cobbled streets, stone mansions, and the revered Collegiate Church make it a fairy-tale stop. Our campsite in Cantabria will be located in this town.

Cabárceno Nature Park

More than a zoo, this sprawling 750-hectare park lets wildlife roam semi-freely in a reclaimed iron mine. Drive or walk through to spot elephants, rhinos, and bears against dramatic karst landscapes.

Surfing in Cantabria

A hotspot for surfers, with consistent Atlantic swells. Playa de Somo near Santander is ideal for beginners. We've teamed up with certified surf schools so you can learn safely while having a blast.

This might just be the start of an exciting new hobby - you could be a natural!

Ruta

Part of the Spain Summer Camp experience is exploring Cantabria's spectacular scenery. We lead different hiking routes through mountains and along the coast - all offering gorgeous views. As with all activities, our team accompanies every excursion.

Santander

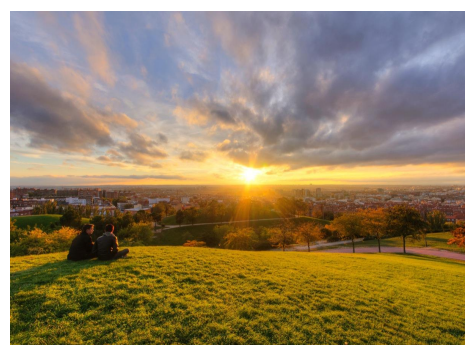

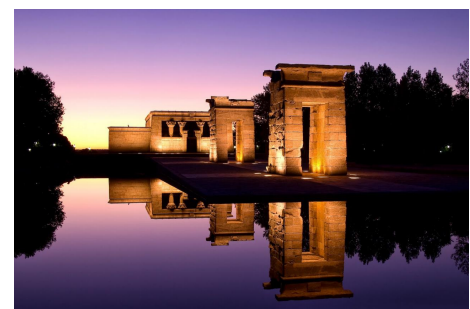

We'll spend two exciting days exploring this elegant city, where: Architecture & History come alive at the Magdalena Palace (the former summer residence of Spanish royalty) and along the seafront promenades. We will arrange immersive Spanish Activities like market scavenger hunts (Mercado de la Esperanza) and interactive language games will sharpen skills while having fun!

Madrid

We will spend our last two days in Madrid: Spain's vibrant capital pulses with energy. We will visit the **Templo de Debod**, an authentic Ancient Egyptian Temple. Look at the Sunset turns the temple pink/orange. Then we will have a picnic at Cerro del Tío Pío.

Children will have time to go shopping in Madrid city and have a fun day at amusement park. It is always one of the most favourite things to do for the kids!
